January 2018

Dear Potential Sponsor,

Interior Horse Council (IHC) is a non-profit organization promoting equine education and safe equine facilities in Fairbanks and the Interior. Our organization has been steadily improving the Tanana Valley State Fairground equestrian areas for more than ten years; adding two new arenas, round pen, warm up area, an announcer's booth and most recently, two permanent privies. This first-class facility is available to equestrians from summer thru fall and is used by horsemen from across the state, as well as organizations such as 4-H, Pony Club, Interior Horsemen's Association, Alaska State Quarter Horse Association and Interior Horse Council.

IHC is currently working on upgrading the fairground horse stalls. Horses are housed in the stalls during the summer show season and the fair. However, the stalls currently have poor footing and are badly in need of stall mats. With this upgrade stalls will be repaired, filled, leveled, and refurbished with new mats.

IHC is working with local business and community volunteers to provide our equine athletes with the level and cushioned stalls that they deserve. However, IHC needs your assistance in order to achieve this goal.

Sponsorship of a Stall Mat will include your name prominently posted above the individual stall(s) that you sponsor. Your business will also be listed in the newspaper applause section and on our website. The sponsorship fee for each stall is \$250.00

Please Remit To: Interior Horse Council
1817 College Rd, Fairbanks, Alaska 99709

Your consideration is greatly appreciated. Thank you for any donation you are able to provide towards the Stall Mat Sponsorship. Should you have questions please do not hesitate to contact:

Gabriele Larry 907-460-6875 or Jann Laiti 907-460-2708

Kindest Regards,

Interior Horse Council
